TEAM BUILDING

OUR MOST POPULAR DAYS

Capture The Flag

3 to 6 hours • 8 to 80 people

A strategic, multi-team head-to-head across open countryside, with climbing, navigation and puzzle challenges. Competitive without being intimidating.

Nuclear Fallout

5 to 7 hours • 8 to 18 people

A high-stakes race against the clock to secure a hazardous waste container. Every team member has a role, and the debrief conversations are the best of any event.

Cryptic Challenge

2 to 3 hours • 4 to 24 people

Orienteering meets puzzle-solving. Teams plan routes and crack clues against the clock: the perfect break in a meeting day.

Fresh Air Meetings

2 to 7 hours • 4 to 50 people

Walk, talk and think in the open air, then stop for afternoon tea somewhere spectacular. Ideal for strategy days and leadership teams.

Also available: climbing and abseiling, caving, guided hikes on Kinder Scout and Mam Tor, wild swimming and bouldering.

LEADERSHIP DEVELOPMENT

MORE THAN JUST THE DAY

An experienced performance coach from the world of elite sport turns what happened on the day into actions for the business.

OBSERVE The facilitator joins your team during the activity, watching how you plan, communicate and decide under pressure.

REFLECT A facilitated session in your meeting room at the hotel, the same afternoon or the next morning.

ACT Lessons linked to your business objectives, with everyone leaving with their own commitments.
